**"We all take different paths in life, but no matter where
we go, we take a little of each other everywhere"**

NIT Jalandhar feels immense pleasure to continue its journey and enrich bonding with its Alumni since its inception. With pride and joy, NIT JALANDHAR invites all its Alumni and their families to join us as we celebrate the ANNUAL ALUMNI MEET this year. This meet is significantly important as we will be celebrating 25th anniversary silver jubilee for batch passing out in year 1994. It would be a great opportunity to reconnect and relive the carefree days of college life.

As the good old days call yet again, it would be a life time experience to get indulged in the nostalgia as you tread that path and rejoice in the memories you once created. NITJ Alumni Affairs Cell, NITJ Alumni Association, & Student Alumni Relation Committee (SARC) look forward to welcome you all with your families. NIT Jalandhar has always been a source of intellectual opportunities, building up self reliant individuals and inspiring its students to always become better than what they are.
