Subject: Regarding Adoption of Nussi and Bidhipur Villages under Swachh Bharat Summer Internship -2018

In pursuance of the objectives of Swachh Bharat Summer Internship programme, the villages Nussi and Bidhipur are adopted. In order to promote the cleanliness, hygiene and awareness to the residents of the villages the following activities will be done during the summer vacations.

- Organize awareness campaigns around better sanitation practices like using a toilet, hand washing, health and hygiene awareness, etc.
- Conduct Door-to-door meetings to drive behavior change with respect to sanitation behaviors.
- Mobilize community and panchayat to build compost pits, where organic matter decomposes to form manure.
- Help panchayat draw up plans for installation of biogas plant.
- Organize cleaning of streets, drains and back alleys through awareness drives.
- Organize Swachhta related Movie Screening

Further details of the programme is available at <https://sbsi.mygov.in>.

All the students are invited and encouraged to actively involved and productively use their summer holidays helping the village communities. The interested student can register at <https://sbsi.mygov.in>.
