NDL- National Digital Library -an integrated platform for Nation's Intellectual output

The National Digital Library of India (NDL India) is an all-digital library that will integrate all existing digitized and digital contents across Institutions of the nation to provide a single-window access with e-learning facility to different groups of users ranging from primary level to higher education level and even life-long learners of our country. It will provide educational materials in various languages, in all disciplines, in different forms of access devices and will cater to differently abled learners as well.

This section will help you to learn how the National Digital Library of India (NDL India) works and how you can use it to the best of your ability to achieve your desired outcome. You will be able to login to NDL only after Registration. Please register yourself to avail the benefits of this virtual Library
