

Profile Page

Name : Dr Deblina Biswas

Designation : Assistant Professor Grade-ii

Department : Instrumentation & Control Engg.

Qualification : PhD Department of Electrical Engineering (Indian Institute of Technology Indore)
M.Tech Biomedical Engineering (National Institute of Technology Rourkela)
B.Tech Electronics and Instrumentation Engineering (West Bengal University of Technology)
Research Professor School of Electronic and Electrical Engineering (Sungkyunkwan University, Republic of Korea)
Post Doctoral Researcher School of Electronic and Electrical Engineering (Sungkyunkwan University, Republic of Korea)

Email : biswasd@nitj.ac.in

Research Interests :

Dr. Biswas is working on the development of Photoacoustic technique for different biomedical applications. Her research area primarily focuses on Photoacoustic based instrument development and real-time, non-contact type disease diagnosis with advanced signal processing techniques. She also works on laser-generated focused ultrasound-based sensing techniques for various biomedical applications.
