Rules and Regulations for B.Tech. Programmes

1. Admission Process

Admission to any undergraduate B.Tech requires that the applicant be eligible, go through the laid-down admission procedure, and pay the prescribed fees.

Admission through JoSAA:

Admission to the B.Tech. programmes of the Institute are carried out each year on the basis of performance of the students in the Joint Entrance Examination (JEE-Main) by common counselling through Joint Seat Allocation Authority (JoSAA). For admission to the B. Tech. and B. Arch. Programmes, the Institute shall follow the reservation policy as notified by MHRD, Govt. of India from time to time.

Admission under DASA programme:

Direct Admission Student who are Foreign nationals either residing in India or abroad or Indian nationals residing abroad may be admitted to UG programme under the Direct Admission Students Abroad (DASA) scheme according to the policy guidelines laid down by the MHRD Govt. of India from time to time. A few admissions are also given through the Ministry of External Affairs based on self- financing scheme as decided by the MHRD Govt. of India from time to time.

Admission under Cultural Exchange Programme:

A few admissions are offered under the Cultural Exchange Fellowship Programme of the Government of India, administered by the Indian Council of Cultural Relations (ICCR), New Delhi through the Ministry of External Affairs as decided by the MHRD Govt. of India from time to time. For these admissions, the candidates are required to apply through the Indian High Commission/Embassy in their respective countries.

Admission under Study in India Programme:

A few admissions are offered under the Study in India Programme for the foreign students under Government of India Scheme to Study in India.

2. Eligibility Criteria for Admission

For getting admission to the B.Tech. programmes at NITs, eligibility criteria are defined by the concerned agencies as mentioned in 1.1 to 1.4. Candidates are requested to go through their respective website and the Institute website for further details. Admissions made under the above schemes in a particular branch are not inter-changeable.

3. ACADEMIC SYSTEM

The academic system at NIT, Jalandhar is framed on a credit-based semester examination system. The credit system envisages a continuous evaluation of student's performance, and provides flexibility for academic progress at an optimum pace based on individual ability and convenience, subject to the constraint of the minimum requirements for continuation in the academic programme.

The student is awarded a letter grade from the prescribed grading system in each course registered by him. For each pass grade, the student accumulates the course credits as earned credits. The academic performance of the student is indicated in terms of the number of credits that he/she earns and the weighted grade point average. A specified minimum number of credits should be acquired on semester or session basis in order to qualify for continuation in the academic programme and the award of degree.

Grades

The grading system, the evaluation in terms of marks is replaced by the award of letter grades. The structure and guidelines for award of grades are given as under:

| Grade | Point | Description of performance | Recommended cut off Marks* |
|-------|-------|--|----------------------------|
| S | 10 | Outstanding | 90 |
| A | 09 | Excellent | 80 |
| B | 08 | Very Good | 70 |
| C | 07 | Good | 60 |
| D | 06 | Average | 50 |
| E | 05 | Marginal | 40 |
| U | - | Unsuccessful | - |
| I | - | Incomplete | - |
| W | - | Withheld due to shortage of attendance or withdrawal | - |
| NP | - | Audit Pass | - |
| NF | - | Audit Fail | - |

*Subject to confirmation based on standard deviation, if the sample size is greater than 20, and is flexible to the recommendations of the individual course coordinators with proper justification.

The grades will be awarded to a student in each registered course, based on his/her performances evaluated through a prescribed scheme of evaluation. In theory courses, the evaluation is weighted on class tests, assignment and end semester examinations in prescribed proportions. The recommended weightage for class tests is 40%, for assignments 10% and for end semester's examination is 50%. The credits for the course in which a student has obtained "E" (minimum passing grade for a course) or a higher grade will be considered as credits earned by him/her. For the other (elective) course in which U or W grade have been obtained, the student may take the same course or any other course from the same category when it is offered next. Further, 'U' grade secured in any course stay permanently on the grade card. The weightage of these grades is not counted in the calculation of the SGPA and CGPA.

An 'I' grade denotes incomplete performance in any course due to absence at the end of semester. Upon completion of all course requirements, the 'I' grade is converted to a regular grade.

These grades (NP and NF) are awarded in a course that the student opts to audit. Audit applications are allowed during the first four weeks of a semester. The audit pass (NP) grade is awarded if a minimum 'E' grade is obtained in the course and attendance is above 75% in the classes. If either of these requirements is not fulfilled the audit fail (NF) grade is awarded. In courses, where NP grade is obtained, the corresponding course credits are considered in the calculation of SGPA or CGPA.

'W' grade is awarded in a course where the student has opted to withdraw from the course. Withdrawal from a course is permitted until one week after the class test-I.

Grade Point Averages

The performance of a student will be evaluated in terms of two indicates, viz, the Semester Grade Point Average (SGPA) which is the Grade Point Average for a semester and Cumulative Grade Point Average (CGPA) which is the Grade Point Average for all the completed semesters at any point of time. The SGPA is calculated on the basis of grades obtained in all courses, except audit courses, registered for in the semester.

$$\text{SGPA} = \frac{\sum(\text{Course credit} \times \text{Grade point}) \text{ except audit course}}{\sum \text{Course credits except audit courses}}$$

The CGPA is calculated on the basis of all pass grades, except audit courses obtained in all completed semester

$$\text{CGPA} = \frac{\sum(\text{Course credit} \times \text{Grade point}) \text{ for courses with pass grade except audit courses}}{\sum(\text{Course credits}) \text{ of courses with pass grade except audit courses}}$$

4. Credits

- (i) Each lecture/tutorial hour per week per semester is assigned one credit.
- (ii) Each laboratory hour per week per semester is assigned half credit. However, some courses are preparatory in nature and have half the credit weightage of a normal course. The courses without credit are termed as noncredit (NC) courses.

5. Registration

Registration is an important procedural part of the academic system which ensure the willingness of the student to continue in the course of the study in the institute. No credit is given to the student who attends a course without a formal registration. The name of the registered student only appears on the roll list of the courses registered.

- (i) The registration shall start one week before the start of classes to be notified in the Academic Calendar. No late fee shall be charged from students registering up to the day of starting of classes. A late fee of 500/- be charged for upto 04 days after the start of classes.
- (ii) HOD's shall make the students aware that payment of fee merely is not sufficient for registration. The students need to be physically present at the campus for registration.
- (iii) Even for those students who are unable to pay the fee for various reasons in time, the registration (without semester fee) and attending the classes in mandatory from the due date as per academic calendar. No attendance relaxation will be accorded for such cases. No registration will be allowed after one week of start of classes. After the last date with late fee, the name of the student shall be discontinued from Institute rolls.

The following credits are required to be earned for the registration in the next semester for B.Tech. Batches:

| S. No. | Promotion to the next year from the previous year | 2018 onwards | 2012 to 2017 |
|---------------|--|---------------------|---------------------|
| i | 1 st to 2 nd year (3 rd Semester) | 23 | 25 |
| ii | 2 nd to 3 rd year (5 th Semester) | 45 | 50 |

| | | | |
|-----|--|----|----|
| iii | 3 rd to 4 th year (7 th Semester) | 68 | 75 |
|-----|--|----|----|

6. Advice of Courses

At the time of completing the registration Form, each student should consult his/her HOD concerned to finalize the academic programme, keeping in view minimum/maximum numbers of total and lecture credits, past performance, backlog of courses, SGPA/CGPA, workload and student's interest. Special provisions exist for academically weak students.

7. Credit requirements for Registration

A student must register for a minimum of 15 credits and a maximum of 30 credits in a semester wherein theory credits registered by a student should not be less than 9 credits. There is a minimum number of student registration to run an elective course and will be decided by the department concerned from time to time.

8. Late Registration:

- (i) For those students who were not on campus during the period of registration in the previous semester, registration procedure will be completed on a later date with permission of the Dean, Academic.
- (ii) For reasons beyond his/her control, if a student is not able to register or send an authorized representative with a medical certificate, he/she may apply to the Dean (Academic) for late registration. The Dean will consider and may approve late registration in genuine cases on payment of an extra fee of Rs 500/-. Late registration is allowed until one week after the start of the semester. The attendance requirements of 75 % will not be relaxed in late registration cases and same will be counted from the date of start of the class.

9. Addition, Deletion, Audit and Withdrawal from Courses:

- (i) Add and Drop: A student has the option to add or delete courses from his/her registration during the first week of the semester.
- (ii) Audit: a student may also apply for changing a credit course to an audit one within one week of the end of the first class test.
- (iii) Withdrawal: A student who wants to withdraw from a course should apply on a prescribed form within one week of the end of the first class test. A withdrawal grade (W) will be awarded in such cases.

10. Attendance Criteria Requirement:

- (i) All students must attend every lecture, tutorial and practical class. The Institute desires 100% attendance with a provision for consideration for absence on account of late registration, sickness or other such contingencies. The attendance requirement of 75% of the scheduled classes in course is needed for appearing in the examination.
- (ii) A student with less than 75% attendance in a course during a semester will be awarded 'W' grade in that course irrespective of his/her performance in the tests. The Course Coordinator, while awarding the grades, will take into account the consolidated attendance record for the whole semester.
- (iii) In order to maintain the attendance record of a particular course, a roll call will be taken in every scheduled lecture, tutorial and practical class.
- (iv) For the purpose of attendance, every scheduled practical class will count as one unit irrespective of the number of contact hours.
- (v) The Course Coordinator will consolidate the attendance record for the course from the beginning of the semester till the end of the semester. The teacher offering the course shall notify the students having less than 75% attendance with an intimation of the same to the concerned Head of the Department and Dean (Academic) / Deputy/Assistant Registrar (Academics).
- (vi) Every faculty offering a course will take attendance till three calendar days before the last instruction day in the semester. The percentage of attendance, calculated up to this instruction day, will be indicated in a code number/letter as follows:

| Attendance rounded to | Code No/letter |
|------------------------------|-----------------------|
| 95% and above | H |
| 85% to less than 95% | 9 |
| 75% to less than 85% | 8 |
| Below 75% | L |

A student who has attendance code letter L will not be allowed to sit for end semester examination in the course in which the shortfall exists.

The Chairman Senate on the recommendations of the Head of the Department

NITJ B.Tech. Regulations

concerned and Dean (Academic) can further condone relaxation of attendance to the tune of 10% only in exceptional circumstances.

11. Absence during the Semester

- (i) A student must inform the Dean (Academics) immediately of any instance of continuous absence from classes.
- (ii) A student who is absent due to illness or any other emergency, upto a maximum of two weeks, should approach the Course Coordinator for make-up in quizzes, assignments and laboratory work.
- (iii) It is compulsory for every student to appear in the End Semester Examination of each course. A student who does not appear in the End Semester Examination shall be awarded a U Grade. In case of absence on Medical grounds or other special circumstances, before or during the end semester examination, the student can apply for I-grade. 75% attendance in a course is necessary for being eligible for request of I-grade in that course. An application requesting an I-Grade should be made at the earliest, but not later than the last day of the end semester examination. This application should be made to the concerned head of department, depending on the merits of the case in discussions with concerned course coordinator, will refer the matter Dean (Academic). The student should, subsequently, complete all course requirements according to prescribed schedule.
- (iv) It is compulsory for every student to appear in the End Semester Examination of each course. A student who does not appear in the End Semester Examination shall be normally awarded a U Grade if no approval for Grant of I-Grade is accorded. An "I" grade denotes incomplete performance in any course due to absence at the end of semester. Upon completion of all course requirement, the "I" grade is replaced by a regular grade.
- (v) In special situations arising due to student's inability to be present at the institute during the stipulated period, the period for convocation I grade can be extended to the beginning of the next semester. Approval for this extension is granted by Dean (Academic), on the recommendations of the concerned Head of department of the student, the Course Coordinator(s), and the Chief Warden in case of a boarder. A request to this effect should be included in the application for I-grade.
- (vi) In case the period of absence on Medical grounds is more than 20 working days during the semester, a student may apply for withdrawal from the semester i.e. withdrawal from all courses registered in that semester. Such applications must be made as early as possible and latest before the start of

NITJ B.Tech. Regulations

the end semester examinations. No application for semester withdrawal will be considered after the end semester exams have commenced. Each application for semester withdrawal will be examined by the Dean (Academic) and depending on the merit of the case, an appropriate recommendation will be made. Partial withdrawal from courses registered in a semester is not allowed.

- (vii) If a student is continuously absent from the institute for more than four weeks without notifying the Dean (Academic), his/her name will be removed from the Institute rolls.

12. Academic Performance Monitoring

The academic performance of students is monitored at the end of each semester by the Dean (Academic) and students failing short of prescribed minimum requirements will be informed accordingly and subsequent monitoring will be followed. The termination of the registration of the students with unsatisfactory performance will be referred to the Senate. The Senate would then appropriately make the final decisions on merit of each case.

13. Measures for helping SC/ST students (as per Senate decision in its 9th meeting)

A number of measures exist for helping students belonging to SC/ST categories. A senior staff member is appointed as Advisor to SC/ST students to advise them on academic and non-academic matters may be approached for obtaining assistance.

14. Change of Branch (Degree Programme)

- (i) A student admitted to a particular discipline of B.Tech. will normally continue in that discipline till completion of the degree.
- (ii) The provision of change of discipline of study of a student should be made after the completion of first two semesters (1st year) provided vacancies/vacancy exist(s) in discipline(s).
- (iii) The filling of vacancies for change of discipline should be done category wise (General, SC, ST or any other category notified by the Ministry of Human Resource Development, Govt. of India, New Delhi).
- (iv) A student is eligible to apply for change of discipline at the end of first year (after 2nd semester) only, provided he/she satisfies the following criteria:
 - a. CGPA for General/OBC/EWS category students: greater than or equal to 7.50 in first attempt
 - b. CGPA for SC/ST/PwD category students: greater than or equal to 6.50 in first attempt

- c. Earned credits at the end of 1st year must be equal to the credits prescribed in the scheme of first and second semester (1st year) of their studies.
- d. Any credits earned through contact course, shall not be considered for discipline change.
- (v) The change of discipline will be permitted strictly in order of merit as determined by the CGPA at the end of the first year subject to the limitation that (a) the actual number of students in the 3rd semester in the branch to which transfer is to be made, should not exceed the sanctioned strength and (b) maximum 10% registered students in 3rd semester of the discipline from which transfer is sought, will be allowed the change of discipline.
- (vi) Application for a change of discipline must be made by intending eligible students in the prescribed form for this purpose. The Deputy Registrar (Academics) will call for application and the completed application forms must be submitted to him by the last date specified in the notification.
- (vii) The alteration of choices will not be permitted after the last date.
- (viii) Change of discipline shall be made strictly on the basis of inter-se-merit of the applicants, based on CGPA. Ties will be broken by JEE (Main) rank of applicants.

15. Special Requirement for Degree:

- (1) The students entering in the Institute are required to undergo the following non-credit mandatory requirements towards completion of their degree: -
 - (i) NSO (National Sports Organization)
 - (ii) NCC (National Cadets Corps)
 - (iii) NSS (National Service Scheme)
 - All students are required to enroll for either one of NCC, NSO or NSS activity in their first year.
 - On completion of 100 hours, student is awarded “Satisfactory” grade.
 - Further, these 100 hours requirement over a period of one year is broken into 50 hours requirement per semester.
 - The student is registered in NCC-1/NSO-1/NSS-1 level in the 1st Semester and on obtaining “Satisfactory” grades he/ she is allowed to registered in NCC-2/NSO-2/NSS-2 in the 2nd Semester.
 - Unless a student obtains “Satisfactory” grade in both 1st and 2nd semesters he/she does not complete the non-credit (NC) requirement of NCC, NSO, NSS.
 - This requirement should be completed in one year. If, however, a student is not

NITJ B.Tech. Regulations
able to complete this requirement in the first year, he/she must complete it by the end of the 2nd year (4th semester), otherwise he/she will not be allowed to register for any course until he/she completes this mandatory requirement.

(2) Provision for audit course from the MOOCs courses.

As per the requirements of TEQUIP-III, there is now a provision for audit courses. A minimum of 02 courses can be studied in the entire B. Tech. course by the students. The scheme shall be applicable for the admission batch 2020-2021 batch onwards.

16. Discipline

Every B. Tech. Student is required to observe proper discipline and decorous behavior both inside and outside the campus. He/she should not indulge in any activity, which will tend to lower the prestige of the Institute.

Any act of indiscipline on the part of B. Tech. student, which is reported to Dean (Academic) will be referred to the Discipline Committee of the Senate from time to time. The committee will investigate the charges. If the charges are substantiated, it will recommend suitable punishment for the same to the Director. The decision of the Director will be final in this regard.

17. Requirements to be fulfilled for award of B.Tech. Degree

A student would be eligible to obtain B Tech (Four Year) Degree, if he/she
