## Event Report (Taboo 2.0)

WeCan NIT-J conducted Taboo 2.0 on January 23, 2021 (Saturday). The event conducted in online mode on Google Meet. It was attended by over 45 students and presided over jointly by sophomore and pre final year of WeCan.

At the core of the event was importance of and developing traits such as convincing power and listening skills.

The event saw active participation students and also help us to solve queries of the students regarding WeCan.

The students were also informed about upcoming induction of WeCan and they were encouraged to actively participate in it.

At the conclusion of event a feedback was taken from the students regarding the event as well as the upcoming induction. The enthusiasm and positive responses were overwhelming as students showed high interest in participating in more of such events in future.
