

Event Report

THINK ON YOUR FEET

We Can the official soft skills and communication skills club under Training Cell of Dr. B.R. Ambedkar NIT Jalandhar, organized a pragmatic event “Think on your feet” on October 30, 2021 open to all students. It was conducted through online mode (Google meet). The students enthusiastically took part in this event.

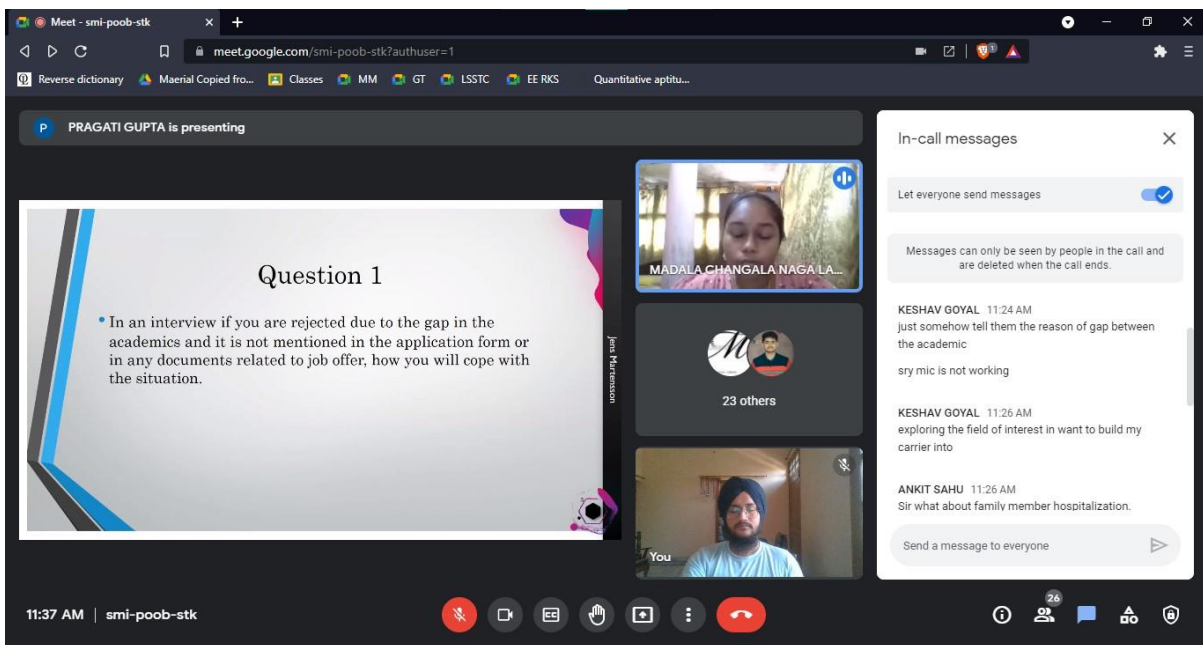

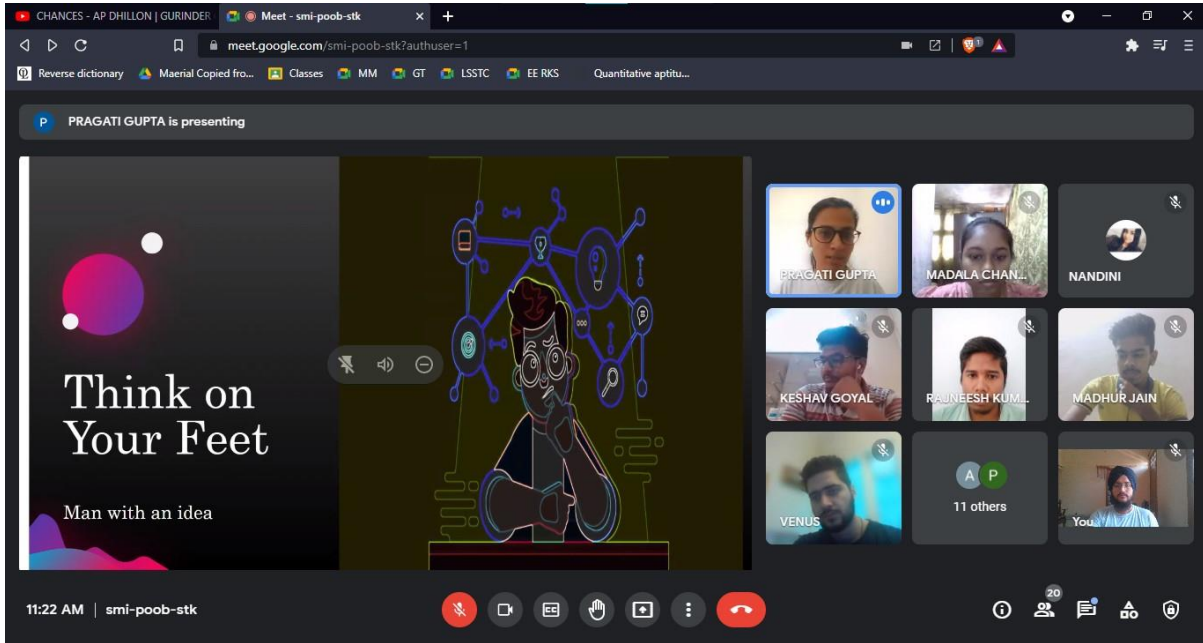

The event was aimed to develop the problem-solving and analytical skills in the students. It commenced with a little introduction session. A brief description regarding We Can and the event instructions were shared with the participants. Students were given a few problem-solving statements which they were to think upon on the spot and present their views. Various guesstimates were also asked. Club members described the approach to the students and then students presented their views,

Participants were guided about the various aspects necessary to tackle questions in the interview. It was truly a mesmerizing event. The event saw active participation of students.

At the conclusion of event, feedback was taken from the students regarding the event as well as the upcoming events that the club can organize. The event culminated to an affirmative and positive response from the attendees. A vote of thanks was issued by club members.
