INDUCTION REPORT

We Can the official Soft Skills and Communication Skills Club under Training Cell of DR. B.R. Ambedkar NIT Jalandhar, organized Inductions on November 14, 2022. The event commenced with the gathering of participants at Management and Science Block in SB-1 at 6 pm. The event was organised by pre-final year students and around 50 students have enthusiastically participated in it.

The event was started with a light introductory conversation between the students & the Core members. The heads of the Club had introduced themselves to the participants. It was continued with the short presentation of the We Can Club, the motivation behind its formation, the brief introduction of our Faculty Coordinator Dr. Shyam Kiran Kaur. The Aims and Objectives of the club were briefly described to the participants and a glimpse of the past events was given at the end.

Then the students were divided into a group of 5 members each and gone through an interactive conversation with the core members and were asked with some critical thinking questions. The students had participated enthusiastically and expressed their views.

The event culminated to an affirmative and positive response from the students. They enjoyed the event and gave positive feedback to the club.
