NOTICE

The students (Applying for Scholarship for the year 2020-21) must send self-attested scanned copies of all their documents along with duly filled application form (duly signed) through email at scholarshipsection@nitj.ac.in. They must also send their original affidavit by speed / registered post. For postal delay, if any, the Institute shall not be responsible.

Further it is advised to the students that they should send the required documents immediately after final submission of scholarship form, at least 15 working days before the closing date of Institute verification date.

The students please be noted that the scholarship applications shall be verified by the Institute only on receipt of all your required documents.
