

Notice

All the Ph.D. (Research Scholars) who are on the verge of completion of their research work and all M.Tech/M Sc. final Year students (2019 batch) whose laboratory work is pending are allowed to come to the Institute for completion of their research/project work as per the following schedule:

PhD : 21st June, 2021

MTech/M.Sc/ MBA (2019 batch): 01st July,2021

The following conditions will be applicable: -

1. On arrival in the Institute, the research scholars/students shall be required to first report in the Institute Dispensary for obtaining the Medical Fitness Report which will be submitted in the respective departments. Only students who have been vaccinated atleast with single dose of vaccine will be allowed to come to the campus. They must produce the certificate in the institute dispensary on joining or reporting to the campus.
2. The hostellers will be required to follow all the modalities and the SOPs circulated by the hostel authorities.
