

**DR B R AMBEDKAR  
NATIONAL INSTITUTE OF TECHNOLOGY JALANDHAR**

Date: 03-01-2022

**NOTICE**

In view of the steep surge in the COVID-19 cases in India, it has been decided that all classes (M.Tech/ PhD) at NIT Jalandhar which were scheduled to start from 06/01/2022 after winter break will now be held **online** till further orders.

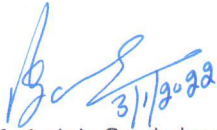

However, the stipend to M. Tech (1<sup>st</sup> and 2<sup>nd</sup> year) and PhD students will be released on the basis of their physical attendance in their respective departments. The students getting stipend will be permitted to stay in hostels and can join classes in online mode from the hostel itself.

The other students not getting stipend may postpone their travel to the Institute and wait for further notification. Those who have **already arrived, are travelling or cannot postpone the travel** will be permitted to stay in hostels and can join classes in online mode from the hostel itself.

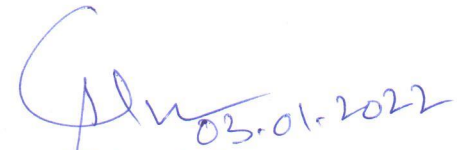

Students staying in the hostels have to follow strict COVID-19 protocol in the campus along with restrictions on movement out of the campus.

Further update will be shared around 20<sup>th</sup> January, 2022 with sufficient time given to the students to perform their journey.

This bears approval of the competent authority.
