**NOTICE**

It has come to my notice that some students, coming to join back the Institute after reopening, are not submitting negative COVID (RT-PCR) test report at the time of arrival as already circulated vide notice dated 3<sup>rd</sup> Feb 2021. It has been viewed seriously and no student will be allowed in the hostel without valid negative COVID (RT-PCR) test report as stated above. Report should not be prior to 72 hours of the institute arrival time. The students not adhering to above will be treated as defaulter and suitable penalty will be imposed.

Moreover, students who are staying in the hostels are advised not to leave the station without any compelling reasons as cases of corona are again increasing. Students leave must be granted by the concerned Supervisor/HOD/Warden on genuine reasons. These students after availing leave need to again produce the negative COVID (RT-PCR) test report at the time of arrival to Hostel.
