NOTIFICATION

Guidelines for allotment of open electives

The following guidelines for the allotment of the open electives as decided in the 38th meeting of the Standing committee of the Senate and are notified for information and compliance of all concerned:

- (a) The students from a particular department cannot opt for the OE course being offered by their own department (e.g. students of IPE department cannot opt for the courses being offered by IPE department).
- (b) Students are required to ensure that the OE courses they opt are not studied in their B.Tech. programme as well as minor degree programme earlier and also is not part of their programmes in ensuing semesters.
- (c) Departments can also specify that an OE course offered by a particular department cannot be opted by its students (e.g. CSE and IT departments prohibit their students from opting courses offered by each other). Students need to opt courses accordingly. Therefore, the final list of open electives will be prepared after receiving such prohibitions from each HoD.
- (d) Students undergoing a 'Minor Degree Course' cannot opt an OE course that is also offered in their minor degree programme.
- (e) In case a course similar to a course already opted as OE in a particular semester is offered by same or a different department, it cannot be opted. (e.g. if a student opts 'IPOE-422, Operation Research' of IP Department, she/he cannot opt 'MAOE-401, Operation Research' of Maths Department). *Also, whenever there will be revision of courses in future, it will be ensured that same or similar OE courses are not offered by two departments.*
- (f) Departments will ensure that the allotment of OE to students have been made ensuring above guidelines.
