## About Dr B R Ambedkar National Institute of Technology (NIT), Jalandhar

Dr B R Ambedkar National Institute of Technology was established in the year 1987 as Regional Engineering College and was given the status of National Institute of Technology (Deemed University) by the Government of India on October 17, 2002 under the aegis of Ministry of Human Resource Development, New Delhi. Now the Ministry of Human Resource Development, Government of India has declared the Institute as **“Institute of National Importance”** under the act of Parliament-2007. A large number of reputed Industrial houses in the country visit the Institution and select the final year students as Engineers/ Management Trainees. As one of the National Institutes of Technology (NIT), the Institute has the responsibility of providing high quality education in Engineering, Technology and Sciences to produce competent technical and scientific manpower for the country. The Institute offers BTech, MTech, MSc, MBA and PhD programs in the several disciplines of Engineering, Technology and Sciences.

## About Centre for Continuing Education (CCE)

Centre for Continuing Education (CCE) is established in the Institute to cater the need of the society. The centre will provide a multidisciplinary platform for policy discourse. This will bring researchers, practitioners, and interested members of our community together in order to contribute meaningfully toward ideation and knowledge sharing. The CCE endeavors foster new relationships and interactions among public officials, civil society and the private sector in the search for creative solutions to public policy problems take management decision for development of society. The centre is open for learning of all the citizen of India and Abroad and wish to upgrade their professional knowledge and skill set through variety of program with more emphasis on experiential learning. The aims and objectives of CCE are as under:-

1. To conduct courses on public policy, urban and rural planning, skill development, entrepreneurship, management, governance etc.
2. To strengthen the government's capacity to effectively implement policies.
3. To organize management development programmes, seminars, FDP, talks, workshops, conferences etc.
4. To conduct capacity building programmes in the field of management, engineering, public policy, finance etc.
5. Centre plan to run a long-duration programmes that would help them develop in-depth capability for both policy-making and implementation.
6. Centre also provides advisory services, consulting services and research.
7. Centre also aims to offer programmes through online mode in near future keeping in mind the changing trends.
8. To provide any other services which deem fit for the development of society.
