

SQUAD OF THE YEAR (25-26 February'23)

DAY 1: BRIDGE IT

SocCer (Society of civil engineers) has successfully organised BRIDGE IT event on day 1 of Techniti'23 under the guidance of Prof A. K. Agnihotri, Head of Civil Engineering Department and coordinated by Dr. Mahesh Patel.

Sponsored: This event is sponsored by several companies such as FDS Structural Consultants, Credence Engineering Services, Finite Technologies, Bechtel, Larsen & Toubro, Geo Engineers, Verma Engineering Consultant, Dreamcity, and ADK Instruments

Student Organizers: Ehsas, Moninder, Muskan, Chetan, Sushank, Tanish, Arshdeep and others (3rd year) supported by B Tech 2nd year students.

Objective of BRIDGE IT :

In BRIDGE IT, the load bearing capacity of bridge (made by ice cream sticks) was measured by placing concrete blocks or loads on the bridge. The increment of load was continued until it got deflected or broken

Guests & Evaluators of BRIDGE IT:

Prof A K Agnihotri (HOD)

Dr Mahesh Patel (Faculty Coordinator of SocCer)

Dr Neelam Rani

Dr Kanish Kapoor

Dr Senthil Kasilingam

Dr Vinil Kumar Gade

Dr Abhishek Sharma

Dr Koteswaraarao Jadda

Participation of Teams:

Total 26 teams participated in BRIDGE IT among which top 10 teams did qualify for next round of Squad of the Year i.e. SCUFFLE which is going to held on Day 2 of Techniti'23.

Teams Qualified in SCUFFLE:

Ram setu, Crafters, Kanyarasi, Killers, Advant of God & Demons, The Truss Master, Qubix, Battalion, 295, Building Bridges

Faculty & Student Coordinators:

SQUAD OF THE YEAR (25-26 Feburary'23)

DAY 2 : SCUFFLE

“SQUAD OF THE YEAR” is concluded on a high note with successfully completion of SCUFFLE event on day 2 of Techniti'23.

Sponsored By: FDS Structural Consultants, Credence Engineering Services, Finite Technologies, Bechtel, Larsen & Toubro, Geo Engineers, Verma Engineering Consultant, Dreamcity, ADK Instruments

Objective of SCUFFLE :

In SCUFFLE, 6 different locations were set and teams needed to reach there by recognizing the locations from the clues and perform the tasks under the guidance of SocCEr Student Coordinators.

Guests & Evaluators of SCUFFLE :

Prof A K Agnihotri (HOD)

Dr Mahesh Patel (Faculty Coordinator of SocCEr)

SocCEr Student Coordinators

Winners of “SQUAD OF THE YEAR” :

Top 3 teams out of 10 shortlisted teams and rewards were distributed

First Position- Rs 5000 Cash Prize with Participation Certificate

Second Position- Rs 2000 Cash Prize with Participation Certificate

Third Position- Rs 1000 Cash Prize with Participation Certificate

GREEN TECTON (27 Feb'23)

SocCEr (Society of Civil Engineers) has successfully organised the event 'Green Tecton' under the guidance of Prof AK Agnihotri (HOD) and coordinated by Dr.Mahesh Patel.

Sponsored by: Walia Engineers and Architect, Amritsar

OBJECTIVE : In the event the participants had to give presentations on Green and Sustainable Buildings and provide a 3-D Structural design of 250 yard plot size of a cost effective sustainable green building.

Evaluators : Jaskirat Walia, Dr.Mahesh Patel, Dr. Kanish Kapoor and Dr. Vinil Kumar Gadde

Participation of teams: Total 12 teams participated in the event.

Winners of Green Tecton :

Rewards :

1st position : Cash prize of Rs. 5000 and participation certificate. 2nd position : Cash prize of Rs. 3000 and participation certificate. 3rd position: Cash prize of Rs. 1000 and participation certificate.

Appreciations: All the organizing members thank to everyone who supported directly and indirectly to make these events successful.
