Website Development and Management Committee (WDMC)
NOTICE

WDMC is looking for constituting a team of motivated students (2019 & 2020 admission batch) for developing and managing a new dynamic website for the institute. Students with earlier web development experience can apply to be a part of this team.

The selection procedure is as below.

Step-1: Apply on the google form circulated along with this notice by **16-5-2022, 11:59 PM IST**

Step-2: Intimation of shortlisted students, interview schedule (tentatively between 18-20 May) and modalities.

Step-3: Interview (Physical mode)

Selected students are expected to start their work right from 21st May 2022 and on completion, they will be honored with due credits on the institute website and also a certificate of their accomplishments.

Students are encouraged to make use of this opportunity as working on such projects have considerable weightage during placements.

For queries, reach us at webmaster@nitj.ac.in

Rakesh Kumar

Chairman - WDMC
