Dear Students,

God bless you all!

The campus is giving a deserted look without the students on campus but COVID-19 is not allowing normal life on campus so far.

The country is witnessing the 2nd wave of COVID-19 and the COVID virus this time is more deadly than the previous one. I Hope all of you alongwith your family members are safe at your respective places and are following all instructions and guidelines of COVID-19 which are issued by the Ministry of health from time to time. It is my sincere advice that you follow all the guidelines and try to stay indoors.

Whole of the Institute is with you during this testing time. It is my advice to all of you to get registered for vaccination at the Government portal which is open from today i.e. 28.04.2021.

I wish that havoc of COVID-19 end at on early date and all of you are back on campus.

Stay safe and God bless you all.

Jai Hind, Jai Bharat!!
