## INSTITUTION'S INNOVATION COUNCIL

### NEAT Logo Contest

Ministry of Human Resource Development has conceptualized a National Education Alliance for Technologies (NEAT) as a Scheme for using technology to make learning more personalized and customized. NEAT would deliver Education Technology solutions directly to the students and educational institutions, through a National NEAT portal, giving learners a wide choice to select the technological solution that would suit their requirement, thereby, improving their overall learning outcomes.

To give a visual identity to the Scheme, we are inviting entries for logo design, which may convey the purpose of NEAT.
